These restrictions shall be binding on all parties claiming under them for a period of twenty (20) years from June 1, 1998.
2. All lots in these subdivisions shall be used exclusively for residential purposes and buildings accessory to the principal residence only. Only one single-family dwelling may be built upon any lot. The

rendering of commercial services, or the sale or manufacture of products from any structure is prohibited. Only intermittent, casual, and irregular professional office-type service may be rendered from any dwelling, and no sign advertising same shall be permitted.

3. The purchasers of property herein shall automatically become members of the Delmer Meadows Homeowners' Association, and shall comply with the provisions therein.

 - B. Each parcel, sold or unsold, of the subject premises automatically constitutes one vote in all matters of voting. In determining the number of votes entitled to be counted in members' votes taken by the Homeowners' Association, each parcel of the subject premises constitutes one vote. If any parcel is held by co-owners, they shall delegate among themselves the party who shall exercise the vote of said parcel before the Homeowners' Association, and shall further certify that name of said party to the Homeowners' Association. The holder of any lien interest in a parcel shall not be entitled to vote in the Homeowners' Association.
 - C. The Homeowners' Association shall establish by-laws consistent with the provisions contained herein. The Homeowners' Association may be incorporated at any time after at least 25% of the lots in Delmer Meadows have been sold.

This amount can be adjusted as seen necessary by the Homeowners' Association as it sees necessary after the Homeowners' Association becomes incorporated. It shall be deposited in a FDIC-insured, interest-bearing account known as "Delmer Meadows Homeowners' Association", and shall have two trustees. The amount of the subsequent annual assessment shall include sufficient sums to pay the various costs and expenses of the Homeowners' Association including, but not limited to, fees, street lighting, entrance signs, salaries, equipment, rentals, and supplies.
4. No improvements shall be commenced, constructed, placed, or altered on any lot or plot until the building plans, including plot plans, building locations and specifications, and sufficient description for all allowed type of improvements have been in each instance submitted the Developer, and approved in writing, such approval to cover conformity, harmony of external design of all the
