

## Gun Procedures for Consignors & Buyers

---

### Consignors:

If you wish to consign a gun/guns, please verify that all of the firearms are unloaded and bring items to the 443 Executive Center at 1811 N Market St, Sparta. Any unlawful or banned guns cannot be accepted. You will need to fill out a Consignment Contract and allow us to gather information and take pictures of your item. Please bring your state issued driver's license or ID.

From there, either you or the auctioneer will deliver the gun to be held at C4 Gun Store, which is located at 7822 State Route 4, Sparta, IL. Any extras that will sell with the gun such as ammo, interchangeable parts or features, extra carrying cases, etc. will remain at the 443 Executive Center. Some firearms may not be able to be held at C4 Gun Store in which case the auctioneer will hold the guns in a safe off-premises. **No firearms will be held at the 443 Executive Center.** Viewing will be done at the C4 Gun Store or by appointment with Auctioneer Brad Chandler, details in "Item Location" tab..

If your gun is a No-Sale, item must be picked up from C4 Gun Store within 3 business days. Because C4 has to register items into their facility, a 3 day waiting period and service fee may still be required to pick up a gun that did not sell.

### Buyers:

If you were the winning bidder on a gun, and it met reserve, a member of the Property Peddler Team will be reaching out to you. Illinois law requires a 72 hr. waiting period before you are able to have the gun transferred into your name. Property Peddler Inc. will send your information to the owner of C4 Gun Store, however the 72 hour countdown begins when you fill out your paperwork with C4 and present your FOID card and paid receipt from Property Peddler Inc. to them.

**Buyers are responsible for the Transferring Fee of \$35.00 (for first transaction, \$15 after that, within the same day's sale) paid to C4 Gun Store.**

**Out-of-State Buyers:** Laws vary if you live outside of Illinois. Before bidding contact Chris Brooks at C4 Gun Store to determine what regulations will be followed and how much transferring fees will be if you win the firearm.

**Previewing:** The viewing location of firearms will be either at the C4 Gun Store (see location and operating hours below) or at a meeting location pre-arranged with the Auctioneer. Each lot on the auction has a tab to view the Item Location. If unsure, or if interested in scheduling a meet time, contact Auctioneer Brad Chandler at 618-791-3289, or Val at 618-473-2500.
