Bidding Information: This is a live auction with online bidding. Auction is Bidders Choice, and bidding will be done at price per acre based on the surveyed acres. Bidders are encouraged to be at the live auction but if bidding online during the live auction, the bidder needs to be accessible by phone. If the bidder is interested in more than one tract, and is pre-bidding, it would be best practice to put a bid on all tracts that bidder is interested in. This is an absolute auction, which means it will be trading hands at the high bid.

MAX BIDDING: Pre-bidding does allow for max bidding to be used. The highest price-per acre online bid between both tracts will be brought live as the starting bid for bidder's choice. Once the auction is live, the system will not bid on the behalf of the bidder, so bidder will need to bid on their behalf or make arrangements for the auction company to bid your proxy during the online auction.

Bidder's Choice: Once bidding goes live the first round of bidding the winning bidder will have the right to choose if they will offer the final bid price per acre (based on surveyed acres) for Tract 1, Tract 2, Tract 3, Tract 4 or choice of the tracts. IF the winning bidder takes all tracts, then the auction is over. IF the winning bidder does not take all tracts, then bidding will reset and start again for the remaining tracts until the auctioneer has deemed to have a final bid price. Seller has a right to approve or reject the final bid price. If it is an online bidder, the bidder will have to be available for the phone call or have arrangements made for once the round of bidding is complete.

Registration: Proper and complete registration is required to bid. All bidders must provide name, address, phone number and email address to register - To complete the bidding process Property Peddler will require a copy of a current state ID – a Property Peddler Team member
